YOUTH COVENANT

As a participant in the 2020 State Youth Event, I affirm that youth ministry events occur to create community so that together we may provide growth and faith, and allow participants to have fun while bringing out the best in each other.

So that these things can happen, I covenant with God and one another to:

- ◆ Participate fully in all aspects of the program.
- ◆ Reach out to welcome new people to make new friends, to strengthen relationships and to treat people with respect.
- ◆ Respect other's rights to quiet and rest and thus agree to the curfew time at night.
- ◆ Not to smoke in building, nor use drugs or alcohol and refrain from any other activities which interfere with these purposes.
- ◆ Take your turn in cleaning of all buildings and grounds (even on the last day).
- ◆ Respect and be mindful of those with special physical or dietary needs.
- ◆ Guests are not permitted in your room. Lounge areas are provided for socializing.
- ◆ I will dress appropriately at all times
