

New York School of Ministry Course and Ministry Practicum Rotation

Our core ministry courses are offered on a three-year rotation. Each 20 contact-hour course is offered via Zoom on weeknights or Saturday mornings. All courses are designed to address the Marks for Faithful and Effective Authorized Ministers in the UCC. Our courses are open to all (Members in Discernment, Lay Leaders, Ministers seeking Continuing Education).

Our Ministry Practicum (a facilitated seminar, grounded in participatory, intentional learning, that takes a deep dive into theology, ethics, preaching, and practical issues in ministry) is offered via Zoom and is open to Members in Discernment on our educational and formational path (whose Committees on Ministry have approved the path as appropriate preparation for them). The Ministry Practicum is offered on a two-year rotation.

Our courses and our ministry practicum sessions will be rearranged if faculty availability requires it.
